# Welcome to Texel

Having a beer in the sun or just picking up some wine for the barbecue? There are some rules to keep in mind!

**1** If you're under the age of 18, you're not allowed to buy, possess or consume alcohol.

**2** It is not allowed to drink alcohol in public areas.

If you violate any of these rules, you risk getting fined and confiscation of the alcoholic beverage.

**3**

Are you aged between 18 and 25 and would you like to purchase alcohol in a shop, restaurant or bar? Then show your ID to the cashier or bartender.

**4**

**5**

Do not drive under the influence of alcohol, drive with someone who is sober or take a taxi.

**6**

Enjoy and drink in moderation.

## Arrange your return trip!

Going out on Texel during a busy evening? Think about your return trip. During peak times, for example, on Saturday nights or after a festival, many visitors want to take a taxi afterwards. As a result, the waiting time can increase considerably. Avoid having to wait a long time for a taxi and arrange, in advance, how you'll be getting home after a night out.

### TIPS

- ✓ Take your bicycle
- ✓ Arrange a designated driver
- ✓ Get picked up
- ✓ Reserve a taxi on time
- ✓ Take the bus (until 10 p.m.)
